Blind  
Solutions

# TBS is an Australian owned leader in the design and manufacture of internal and external sun shading systems.

With a focus on quality, innovation, and sustainability, we provide customised window furnishing solutions that meet the highest standards for commercial and residential projects. Our commitment to exceptional service ensures a seamless experience from product selection through to installation. We serve a range of retailers who supply large-scale commercial developers to boutique residential projects.

At TBS, every product is manufactured using the finest materials and cutting-edge technology to ensure lasting performance and durability. We tailor our products to meet the unique needs of each project, offering a range of possibilities in design, functionality, and finishes.

Our shading systems are designed to enhance energy savings by providing effective heat and light control, contributing to sustainable building practices.

We work closely with retailers, developers, architects, and designers to ensure each solution fits perfectly with their vision, offering guidance from selection through to final installation. Additionally, we stay ahead of industry trends by continuously developing products that combine aesthetic appeal with the latest advancements in window furnishing technology.

## Terms & Conditions of Sale

### **Payment Terms**

Payment of account is to be made within 30 days of statement. Accounts unpaid past 60 days will attract a 1.50% per month penalty and may be factored or passed onto a collection agency without notice. TBS (Aust) Pty Ltd reserves the right to withhold delivery on goods due to an overdue account, which is in breach of our trading terms.

### **Quotations**

A request for a quotation from TBS (Aust) Pty Ltd must be made in writing and fully detailed. A written quotation is valid for 30 days.

### **Minimum Invoice**

Although TBS (Aust) Pty Ltd does not have a minimum invoice value, invoices less than \$250.00 in value will attract a \$25 delivery surcharge.

### **Risk and Retention of Title (Romalpa Clause)**

Goods sold by TBS (Aust) Pty Ltd to the customer are at the customer's risk on delivery. The customer shall store the goods which have not been paid for separately and keep separate records in relation to the proceeds of sale of any goods which have not been paid for. If any goods are used in a manufacturing process or mixed with any other materials, the customer shall record the value of goods in relation to each unit of finished product and upon sale of any unit of finished product immediately remit that amount to TBS (Aust) Pty Ltd. If the customer does not pay for the goods on the due date specified, TBS (Aust) Pty Ltd is irrevocably authorised by the customer to enter the customer's premises and such reasonable force to take possession of the goods without liability for the tort of trespass, negligence or payment of any compensation to the customer whatsoever.

### **Default in Payment**

The Courts of Victoria in Melbourne applying Victorian Law have exhaustive jurisdiction to decide disputes between TBS (Aust) Pty Ltd and the customer. Interest is payable on overdue amounts from the dates they were each first incurred in accordance with section 58 of the Supreme Court Act 1986.

### **Part Delivery**

TBS (Aust) Pty Ltd is entitled to progressive payment for progressive goods deliveries.
